**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep competition alive! Having a healthy selection of vendors at reasonable prices is key to my success as a remote tech employee. Poor competition results in high prices and bandwidth caps. The small guys need room to compete. My experience with smaller ISPs is much more positive than the large National organizations.
